Chengde”) (collectively “the Chengde Group”). As a result of a transcription error, the version of this notice released to interested parties on January 14, 2013, incorrectly stated the weight-averaged dumping margin calculated for the Chengde Group. For a detailed analysis of these alleged ministerial errors, *see* “First Administrative Review of the Antidumping Duty Order on Certain Oil Country Tubular Goods from the People’s Republic of China: Analysis of Ministerial Error Allegations,” dated concurrently with this notice.
